

SAFETY DATA SHEET N° 0100 (110 a) As per 93/112/EC of 10.12.1993	Edition: 7	F 19/02 (A)
	Date: 23.01.03	Page: 1 of 2
	Libéré par: GG	Auteur: GG

1.	Identification of the product: "PD" COTTON PELLETS	20
	CE class (where applicable): I	FDA N° (where applicable):
1.1	Main use of the product:	
1.2	Identification of the manufacturer:	Produits Dentaires S.A., 18, Rue des Bosquets, CH -1800 VEVEY / Switzerland
1.3	Emergency phone N° of the manufacturer: ++41 21 921 26 31 fax: ++41 21 92139 79	
2. a)	Composition: 100% cotton	CAS N°
2. b)	Substances presenting a health hazard: none	
2. c)	"R" phrase: none	Symbol:
3.	Hazards identification: not applicable	
3.1	To man:	
3.2	To environment:	
4.	First-aid measures: not applicable Inhaling: Skin contact: Oral tissues contact: Eye contact: Ingestion: Other recommendations:	
5.	Fire-fighting measures: water Suitable extinguishing medium: Extinguishing medium which should not be used for safety reasons: Special protective equipment:	
6.	Accidental release measures: none Personal precautions: none Environmental precautions: respect the professional rules for hygiene. Method for cleaning: mechanical	
7.	Handling:	
7.1	Storage : in its original packing, in a dry, clean place.	

8. Exposure control / Personal protection: no particular measure.

Precautionary measures to be taken during use:

Respiratory protection:

Hand protection:

Eye protection:

Skin protection:

Oral tissues protection:

9. Physical and chemical properties:Appearance: cotton pellets of different \varnothing (about 3.2 mm to about 10 mm)

Odour: without

Solubility: -

Colour: white

Insolubility: -

pH: -

Density: -

Inflammability: yes

Melting point:

Other data: - responds to the test of Ph. Eu. III

- Absorption capacity : time of immersion in water \leq 10 seconds**10. Stability and reactivity:**

Shelf-life: not applicable

Conditions to avoid: humidity

Materials to avoid: -

Hazardous decomposition products: -

11. Toxicological effects which may be observed: none**12. Ecological information:** not applicable

N.B.Information relevant to the environment is provided, in case of need, in other sections of the data sheet.

13. Appropriate method of disposal: dustbin

N.B. Respect any national or regional dispositions which may be in force.

14. Transport information:**14.1 UN regulation:** none**14.2 Brussel's harmonized tariff N°:** 3005.90**15. Regulatory information on the label or the instruction leaflet :** none**16. Recommended use:** dentistry**17. Restriction of use:** none

Sources of key data used to compile the data sheet:

Date of the previous revision (if applicable): -

Date of the emission of the data sheet: 29.06.1998
